Saito Hand Labeller Range

Date, price mark or code anything in reach with a hand labeller from Saito. We've spent decades refining the perfect design for Australia, New Zealand and the Asia Pacific regions. We now have our own market-leading hand labeller range under the Saito brand.

From industrial freezers to a shop floor, we have hand labellers for all operating environments. Labellers can print anything from one to four lines of information and labels are easy to load. Our range is lightweight yet strong. Our Saito range of hand labellers includes various models. Below you will find information specifically related to our model the **Saito 1**, which are widely used in the food and retail industry.
