Saito Hand Labeller Range

Date, price mark or code anything in reach with a hand labeller from Saito. We've spent decades refining the perfect design for Australia, New Zealand and the Asia Pacific regions. We now have our own market-leading hand labeller range under the Saito brand.

From industrial freezers to a shop floor, we have hand labellers for all operating environments. Our hand labellers can print anything from one to three lines of information and are easy to load. Our range is lightweight yet strong. Saito has an extensive range of hand labellers and our staff will gladly help you choose the best option for your industry. Below you will find information specifically related to our model the **Saito 16**, which has versatile industrial applications with date and batch details printed.

Saito 16 'Smart Lock'

The Smart-Lock Saito 16 has the unique ability to lock in your set configurations, eliminating shifting bands and labelling errors. When the selector is extended the gun will not function, and the selector will spin freely when pushed into the locked position.

Features:

- Light weight, reliable and easy to use
- Two lines each of 8 characters fully customisable to suit
- Full back up service with extended warranty options
- Wide range of stock labels for price or date age use
- Innovative lock system prevents accidental slippage of the set characters
