

Model: TTOP-400 table top printing station for TTO printer.

A special designed table top TTO printing station for mounting of TTO printer with manual feeding for all type of material such as laminated pouch, PE, PP, Nylon bag, label, folded box, envelope, card etc.

This table top TTO printing station is very suitable for difficult materials that cannot be feed or separated by friction feeder. It can also be attached to the TF04-300 or TF01-400 friction feeder to become a fully automatic feeding and printing system. Easy change over of sizes without tools.
