Saito Attachers and Tags

Our Saito range of attachers were designed to be simple, user friendly and straight to the point to suit your tagging needs. With a compact and comfortable grip, the **Saito attacher** is easy to use, no matter what size your hands are. The moulded handle and trigger allow the user a firm grip to make quick work of your ticketing or labelling projects. Our Saito attachers are available in both the standard and fine models with matching accessories. Saito can cater to all of your clothing manufacturing, wholesale and trade applications, from your factory floor to your retail store with varying pin lengths and needle gauges in our stock standard lines.
