Saito Hand Labeller Range

Date, price mark or code anything in reach with a hand labeller from Saito. We've spent decades refining the perfect design for Australia, New Zealand and the Asia Pacific regions. We now have our own market-leading hand labeller range under the Saito brand.

From industrial freezers to a shop floor, we have hand labellers for all operating environments. Our hand labellers can print anything from one to three lines of information and are easy to load. Our range is lightweight yet strong. Saito has an extensive range of hand labellers and our staff will gladly help you choose the best option for your industry. Below you will find information specifically related to our models **Saito 28** & **36**, our most versatile three line hand labellers.

Saito 28 & Saito 36 Industrial Labellers

The Saito 28 & 36 are rugged and versatile tools, easy to use and easy to load. The Saito 28 is our pricing tool, setup to suit our custom "Was/Now" labels when the top line is blank. You can also customise the bands on your top line to suit your promotion and print your own heading on blank labels.

The Saito 36 is our coding tool, with three fully customisable lines for all of your dating and coding needs.

The cover protects your labels from dust in hectic industrial environments and the strong but lightweight construction will last through vigorous use.
